From October 1st through March 31st, you can call 8:00 a.m. to 8:00 a.m. seven days a week, or visit UCLAHealthMedicareAdvantage.org.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website UCLAHealthMedicareAdvantage.org/pharmacy. You may also call Member Services at 1-833-627-8252 (TTY/TDD users should call 711) for updated information.

Introduction: This booklet provides a list of UCLA Health Medicare Advantage Plan’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and UCLA Health Medicare Advantage Plan’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under UCLA Health Medicare Advantage Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed.

This list is current as of September 15, 2025.

For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called MedImpact Direct Mail ® Program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact UCLA Health Medicare Advantage Plan.

Our pharmacy directory is organized by the type of pharmacy (retail, including chain pharmacies, mail order, home infusion, long-term care, Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) pharmacies. Our pharmacies are then listed alphabetically by service area, facility name and city.

Mail Order Pharmacy

MedImpact Direct Mail ®Program
Birdi™1-855-873-8739 (TTY dial 711)

You can get prescription drugs shipped to your home through our network mail order delivery program which is called MedImpact Direct Mail ® Program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program MedImpact's Direct Mail® Program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by phone at 1-855-873-8739.

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-855-873-8739 (TTY dial 711).
