Generalmente debe usar farmacias de la red para aprovechar su beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias y/o los copagos/coseguros pueden cambiar el 1 de enero de 2026 y de vez en cuando durante el año.

¿Qué es el formulario del Plan Medicare Advantage de UCLA Health?

En este documento, utilizamos los términos “Lista de Medicamentos” y “Formulario” para significar lo mismo. Un formulario es una lista de medicamentos cubiertos seleccionados por el Plan Medicare Advantage de UCLA Health en consulta con un equipo de proveedores de atención médica, que representa las terapias recetadas consideradas una parte necesaria de un programa de tratamiento de calidad. El Plan Medicare Advantage de UCLA Health generalmente cubrirá los medicamentos incluidos en nuestro formulario siempre que el medicamento sea médicalemente necesario, la receta se surta en una farmacia de la red del Plan Medicare Advantage de UCLA Health y se sigan las demás reglas del plan. Para obtener más información sobre cómo surtir sus recetas, por favor revise su Evidencia de Cobertura.

¿Puede cambiar el formulario?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de enero, pero el Plan Medicare Advantage de UCLA Health puede agregar o eliminar medicamentos del formulario durante el año, moverlos a diferentes niveles de costos compartidos o agregar nuevas restricciones. Debemos seguir las reglas de Medicare al realizar estos cambios. Las actualizaciones del formulario se publican mensualmente en nuestro sitio web aquí: UCLAHealthMedicareAdvantage.org/formulary.

Cambios que pueden afectarle este año: En los siguientes casos, se verá afectado por cambios en la cobertura durante el año:

- **Sustituciones inmediatas de ciertas nuevas versiones de medicamentos de marca y productos biológicos originales.** Podemos eliminar inmediatamente un medicamento de nuestro formulario si lo reemplazamos con una nueva versión específica de ese medicamento que aparecerá en el mismo nivel de costos compartidos o en uno inferior, y con las mismas o menos restricciones. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero

moverlo inmediatamente a un nivel de costos compartidos diferente o agregar nuevas restricciones.

Podemos realizar estos cambios inmediatos solo si estamos agregando una nueva versión genérica de un medicamento de marca o ciertas nuevas versiones biosimilares de un producto biológico original que ya estaba en el formulario (por ejemplo, agregar un biosimilar intercambiable que puede ser sustituido por un producto biológico original en una farmacia sin una nueva receta).

Si actualmente está tomando el medicamento de marca o el producto biológico original, es posible que no le informemos con anticipación antes de realizar un cambio inmediato, pero posteriormente le proporcionaremos información sobre los cambios específicos que hemos realizado.

Si realizamos dicho cambio, usted o su médico pueden solicitar una excepción para que continuemos cubriendo el medicamento que está siendo modificado. Para obtener más información, consulte la sección a continuación titulada “¿Cómo solicito una excepción al formulario del Plan Medicare Advantage de UCLA Health?”

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección a continuación titulada “¿Qué son los productos biológicos originales y cómo están relacionados con los biosimilares?”

- **Medicamentos retirados del mercado.** Si un medicamento es retirado de la venta por el fabricante o la Administración de Alimentos y Medicamentos (FDA) determina que debe ser retirado por razones de seguridad o efectividad, podemos eliminarlo inmediatamente de nuestro formulario y posteriormente notificar a los miembros que lo estén tomando.
- **Otros cambios.** Podemos realizar otros cambios que afecten a los miembros que actualmente estén tomando un medicamento. Por ejemplo, podemos eliminar un medicamento de marca del formulario al agregar un equivalente genérico o eliminar un producto biológico original al agregar un biosimilar. También podemos aplicar nuevas restricciones al medicamento de marca o producto biológico original, moverlo a un nivel de costos compartidos diferente, o ambas cosas. Podemos realizar cambios basados en nuevas guías clínicas. Si eliminamos medicamentos de nuestro formulario, agregamos autorización previa, límites de cantidad y/o restricciones de terapia escalonada a un medicamento, o movemos un medicamento a un nivel de costos compartidos más alto, debemos notificar a los miembros afectados sobre el cambio al menos 30 días antes de que el cambio entre en vigencia. Alternativamente, cuando un miembro solicite un reabastecimiento del medicamento, pueden recibir un suministro de 30 días del medicamento junto con la notificación del cambio. Si realizamos estos otros cambios, usted o su médico pueden solicitarnos una excepción para que continuemos cubriendo el medicamento que ha estado tomando. La notificación que le proporcionemos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la

sección a continuación titulada “¿Cómo solicito una excepción al formulario del Plan Medicare Advantage de UCLA Health?”

Cambios que no le afectarán si actualmente está tomando el medicamento.

Generalmente, si está tomando un medicamento incluido en nuestro formulario de 2025 que estaba cubierto al comienzo del año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2025, excepto en los casos descritos anteriormente. Esto significa que estos medicamentos permanecerán disponibles al mismo costo compartido y sin nuevas restricciones para los miembros que los estén tomando durante el resto del año de cobertura. No recibirá una notificación directa este año sobre cambios que no le afecten. Sin embargo, el 1 de enero del próximo año, dichos cambios podrían afectarle, por lo que es importante revisar el formulario para el nuevo año de beneficios y verificar cualquier cambio en los medicamentos.

El formulario adjunto está actualizado al 07/22/2025. Para obtener información actualizada sobre los medicamentos cubiertos por el Plan Medicare Advantage de UCLA Health, por favor contáctenos. Nuestra información de contacto aparece en las páginas de portada y contraportada. El Plan Medicare Advantage de UCLA Health actualizará los formularios impresos en caso de cambios en el formulario que no sean de mantenimiento durante el año.

¿Cómo utilizo el Formulario?

Hay dos formas de encontrar su medicamento dentro del formulario:

Condición Médica

El formulario comienza en la página 11. Los medicamentos en este formulario están agrupados en categorías según el tipo de condiciones médicas que tratan. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca están listados bajo la categoría de Agentes Cardiovasculares. Si sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que comienza en la página 9. Luego, busque su medicamento bajo el nombre de la categoría correspondiente.

Listado Alfabético

Si no está seguro bajo qué categoría buscar, debe buscar su medicamento en el Índice que comienza en la página 189. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los genéricos están listados en el Índice. Busque su medicamento en el Índice. Junto al nombre de su medicamento, verá el número de página donde puede encontrar información sobre la cobertura. Vaya a la página indicada en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

07/22/2025

H4647 _ COMPRE-FORMULARY _ C _ 2025

El Plan Medicare Advantage de UCLA Health cubre tanto medicamentos de marca como genéricos. Un medicamento genérico está aprobado por la FDA y contiene el mismo ingrediente activo que el medicamento de marca. Generalmente, los medicamentos genéricos funcionan igual de bien y suelen costar menos que los medicamentos de marca. Existen sustitutos genéricos disponibles para muchos medicamentos de marca. Por lo general, los medicamentos genéricos pueden ser sustituidos por los de marca en la farmacia sin necesidad de una nueva receta, dependiendo de las leyes estatales.

¿Qué son los productos biológicos originales y cómo están relacionados con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, esto puede significar un medicamento o un producto biológico. Los productos biológicos son medicamentos más complejos que los típicos medicamentos. Debido a su complejidad, en lugar de tener una forma genérica, tienen alternativas llamadas biosimilares. Generalmente, los biosimilares funcionan igual de bien que el producto biológico original y pueden costar menos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son intercambiables y, dependiendo de las leyes estatales, pueden sustituirse por el producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden sustituir a los medicamentos de marca.

- Para obtener información sobre los tipos de medicamentos, consulte la Evidencia de Cobertura, Capítulo 5, Sección 3.1, “La ‘Lista de Medicamentos’ indica qué medicamentos de la Parte D están cubiertos.”

¿Existen restricciones en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos adicionales o límites en la cobertura. Estos requisitos y límites pueden incluir:

- Autorización Previa: El Plan Medicare Advantage de UCLA Health requiere que usted o su médico obtengan una autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación del Plan Medicare Advantage de UCLA Health antes de surtir sus recetas. Si no obtiene la aprobación, el Plan Medicare Advantage de UCLA Health puede no cubrir el medicamento.
- Límites de Cantidad: Para ciertos medicamentos, el Plan Medicare Advantage de UCLA Health limita la cantidad del medicamento que cubrirá. Por ejemplo, el Plan Medicare Advantage de UCLA Health proporciona 4 unidades por receta para el autoinyector de epinefrina. Esto puede ser adicional a un suministro estándar de uno o tres meses.
- Terapia Escalonada: En algunos casos, el Plan Medicare Advantage de UCLA Health requiere que primero intente ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa condición. Por ejemplo, si el Medicamento A y el Medicamento B tratan su condición médica, el Plan Medicare Advantage de UCLA Health puede no cubrir el Medicamento B a menos que primero intente con el Medicamento A. Si el Medicamento A no funciona para usted, entonces cubriremos el Medicamento B.

Puede averiguar si su medicamento tiene requisitos adicionales o límites consultando el formulario que comienza en la página 11. También puede obtener más información sobre las restricciones aplicadas a los medicamentos específicos cubiertos visitando nuestro sitio web. Hemos publicado en línea un documento que explica nuestras restricciones de autorización previa y terapia escalonada. También puede solicitarnos que le envíemos una copia. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez el formulario, aparece en las páginas de portada y contraportada.

Puede pedirle al Plan Medicare Advantage de UCLA Health que haga una excepción a estas restricciones o límites, o solicitar una lista de otros medicamentos similares que puedan tratar su condición médica. Consulte la sección ”¿Cómo solicito una excepción al formulario del Plan Medicare Advantage de UCLA Health?” en la página 6 para obtener información sobre cómo solicitar una excepción.

¿Qué pasa si mi medicamento no está en el formulario?

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicios para Miembros y preguntar si su medicamento está cubierto.

Este documento incluye solo una lista parcial de los medicamentos cubiertos, por lo que el Plan Medicare Advantage de UCLA Health podría cubrir su medicamento. Para obtener más información, por favor contáctenos. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez el formulario, aparece en las páginas de portada y contraportada.

Si descubre que el Plan Medicare Advantage de UCLA Health no cubre su medicamento, tiene dos opciones:

- Puede pedir a Servicios para Miembros una lista de medicamentos similares que estén cubiertos por el Plan Medicare Advantage de UCLA Health. Cuando reciba la lista, muéstrelos a su médico y pídale que le recete un medicamento similar que esté cubierto por el Plan Medicare Advantage de UCLA Health.
- Puede pedir al Plan Medicare Advantage de UCLA Health que haga una excepción y cubra su medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al formulario del Plan Medicare Advantage de UCLA Health? Puede pedir al Plan Medicare Advantage de UCLA Health que haga una excepción a nuestras reglas de cobertura. Hay varios tipos de excepciones que puede solicitar.

- Puede pedirnos que cubramos un medicamento aunque no esté en nuestro formulario. Si se aprueba, este medicamento será cubierto a un nivel de costos compartidos preestablecido, y no podrá solicitarnos que proporcionemos el medicamento a un nivel de costos compartidos más bajo.
- Puede pedirnos que eliminemos una restricción de cobertura, incluyendo autorización previa, terapia escalonada o un límite de cantidad en su medicamento. Por ejemplo, para ciertos medicamentos, el Plan

Medicare Advantage de UCLA Health limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede solicitarnos que eliminemos el límite y cubramos una mayor cantidad.

- Puede pedirnos que cubramos un medicamento del formulario a un nivel de costos compartidos más bajo, a menos que el medicamento esté en el nivel de especialidad. Si se aprueba, esto reduciría la cantidad que debe pagar por su medicamento.

Generalmente, el Plan Medicare Advantage de UCLA Health solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento de menor costo compartido o la aplicación de la restricción no serían tan efectivos para usted y/o le causarían efectos adversos.

Usted o su médico deben contactarnos para solicitar una excepción de nivel o una excepción al formulario, incluyendo una excepción a una restricción de cobertura.

Cuando solicite una excepción, su médico deberá explicar las razones médicas por las cuales necesita la excepción. Generalmente, debemos tomar nuestra decisión dentro de las 72 horas posteriores a la recepción de la declaración de apoyo de su médico. Puede solicitar una decisión acelerada (rápida) si cree, y estamos de acuerdo, que su salud podría verse gravemente afectada al esperar hasta 72 horas por una decisión. Si estamos de acuerdo, y si su médico solicita una decisión rápida, debemos darle una decisión a más tardar 24 horas después de recibir la declaración de apoyo de su médico.

¿Qué puedo hacer si mi medicamento no está en el formulario o tiene una restricción?

Como nuevo miembro o miembro continuo de nuestro plan, es posible que esté tomando medicamentos que no están en nuestro formulario. O, puede estar tomando un medicamento que está en nuestro formulario pero tiene una restricción de cobertura, como autorización previa. Debe hablar con su médico sobre la posibilidad de solicitar una decisión de cobertura para demostrar que cumple con los criterios para su aprobación, cambiar a un medicamento alternativo que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras usted y su médico determinan el curso de acción adecuado, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días de su membresía en nuestro plan.

Para cada uno de sus medicamentos que no está en nuestro formulario o tiene una restricción de cobertura, cubriremos un suministro temporal de hasta 30 días. Si su receta es para menos días, permitiremos recargas para proporcionar un suministro máximo de 30 días de medicamento. Si la cobertura no es aprobada, después de su primer suministro de 30 días, no pagaremos por estos medicamentos, incluso si ha sido miembro del plan por menos de 90 días.

Si usted es residente de un centro de cuidado a largo plazo y necesita un medicamento que no está en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento mientras solicita una excepción al formulario.

Formulario del Plan Medicare Advantage de UCLA Health

El formulario a continuación proporciona información sobre la cobertura de los medicamentos incluidos en el Plan Medicare Advantage de UCLA Health. Si tiene problemas para encontrar su medicamento en la lista, consulte el Índice que comienza en la página 189.

La primera columna de la tabla enumera el nombre del medicamento. Los medicamentos de marca están en mayúsculas (por ejemplo, ENTRESTO), y los medicamentos genéricos se enumeran en cursiva y en minúsculas (por ejemplo, *ibesartan*).

La información en la columna de Requisitos/Límites le indica si el Plan Medicare Advantage de UCLA Health tiene requisitos especiales para la cobertura de su medicamento.

- El símbolo [EX] indica que este medicamento recetado no está normalmente cubierto en un Plan de Medicamentos Recetados de Medicare. El monto que paga cuando surte una receta para este medicamento no cuenta para el total de sus costos de medicamentos (es decir, la cantidad que paga no le ayuda a calificar para la cobertura catastrófica). Además, si está recibiendo ayuda adicional para pagar sus medicamentos recetados, no recibirá ninguna ayuda adicional para pagar este medicamento.
- El símbolo [QL] indica límites de cantidad para ciertos medicamentos y especifica la cantidad que el plan cubrirá (suministro en días o cantidad dispensada). Si su médico prescribe más de esta cantidad o considera que el límite no es adecuado para su condición, usted o su médico pueden solicitar al plan que cubra una cantidad mayor.
- El símbolo [HI] indica que este medicamento recetado puede estar cubierto bajo nuestro beneficio médico. Para más información, llame a Servicios para Miembros al 1-833-627-8252 (los usuarios de TTY deben llamar al 711). Horas Operación: Del 1 de abril al 30 de septiembre: de 8:00 a.m. a 8:00 p.m., de lunes a viernes. Del 1 de octubre al 31 de marzo: de 8:00 a.m. a 8:00 p.m., los siete días de la semana, o visite www.UCLAHealthMedicareAdvantage.org/formulary.
- El símbolo [ST] indica que, antes de que se proporcione cobertura para este medicamento, primero debe probar otro(s) medicamento(s) para tratar su condición médica. Este medicamento solo puede estar cubierto si el/los otro(s) medicamento(s) no funcionan para usted.

- El símbolo [PA] indica que usted (o su médico) debe obtener una autorización previa del Plan Medicare Advantage de UCLA Health antes de surtir su receta para este medicamento. Sin la aprobación previa, el Plan Medicare Advantage de UCLA Health puede no cubrir este medicamento.
- El símbolo [PA NSO] indica Autorización Previa para Nuevos Comienzos únicamente para un miembro nuevo en una terapia con medicamentos. Esto significa que la primera vez que un miembro toma ese medicamento específico con gestión de utilización (UM), se requiere un proceso que especifica que los miembros obtengan aprobación anticipada para la cobertura del plan antes de que se brinde un servicio o se surta una receta.
- El símbolo [PA BvD] indica que este medicamento recetado puede estar cubierto bajo la Parte B o D de Medicare, dependiendo de las circunstancias. Usted (o su médico) debe obtener una autorización previa antes de surtir su receta para este medicamento. Sin la aprobación previa, es posible que no cubramos este medicamento.
- El símbolo [CB] indica un Beneficio Limitado, lo que significa que este medicamento tiene un monto límite específico por mes y no permite recargas anticipadas.
- El símbolo [NDS] indica que no se permite un suministro extendido de días.
