Section 1 – Introduction

The directory provides a list of UCLA Health Medicare Advantage Plan's network providers.

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. Your PCP is a provider who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a member of our Plan. For example, in order for you to see a specialist, you will usually need to get your PCP's approval first (this is called getting a "referral" to a specialist). Your PCP will provide most of your care and will help you arrange or coordinate the rest of the covered services you get as a member of UCLA Health Medicare Advantage Plan.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory, however, some services may require a referral. For some types of referrals, your PCP may need to get approval in advance from UCLA Health Medicare Advantage Plan (this is called getting "prior authorization"). Prior authorization is approval in advance to get services. Some in-network medical services are covered only if your doctor or other network provider obtains "prior authorization" from UCLA Health Medicare Advantage Plan. Each plan PCP has certain plan specialists they use for referrals. This means that the PCP you select may determine the specialists you may see.

If an out-of-network provider submits a bill directly to you, you should **not** pay the bill but should submit it to the plan for processing and determination of member liability, if any.

You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor UCLA Health Medicare Advantage Plan will be responsible for the costs.

What is the service area for UCLA Health Medicare Advantage Plan?

The county in our service area is Los Angeles County.

How do you find UCLA Health Medicare Advantage Plan providers that serve your area?

You can go to UCLAHealthMedicareAdvantage.org/providers and enter your zip code for a list of providers nearest to your home.

If you have questions about UCLA Health Medicare Advantage Plan or require assistance in selecting a PCP, please call our Member Services Department at 1-833-627-8252. Hours of operation are 8am to 8pm, Monday – Friday April 1st through September 30th, except on all federal holidays. Hours are 8am to 8pm, 7 days a week October 1st through March 31st, except Thanksgiving Day and Christmas Day. TTY users should call 711. You can also visit UCLAHealthMedicareAdvantage.org.
