

## Complex Care Management (CCM) Referral Form

The UCLA Health Complex Care Management (CCM) program is designed to support our members in managing their health more effectively. We accept referrals for members who require comprehensive care coordination and management.

### Program Overview:

The CCM program aims to assist members by:

- Coordinating complex healthcare needs.
- Providing personalized care plans.
- Offering support and resources to manage chronic conditions.
- Ensuring seamless communication between healthcare providers.

### Referral Triggers:

Members may be referred to the CCM program based on the following triggers:

- **Diagnosis Triggers:** Specific medical conditions that require intensive management.
- **Utilization Triggers:** High utilization of healthcare services indicating a need for coordinated care.
- **Provider Triggers:** Recommendations from healthcare providers based on clinical assessments.

### Referral Process:

To refer a member to the CCM program, please complete the following steps:

1. **Member Information:** Provide detailed information about the member.
2. **Trigger Identification:** Check all applicable triggers that indicate the need for complex care management.
3. **Contact Information:** Include your contact details for follow-up.
4. **Submission:** Email the completed referral form securely to [uclacomplexcmpprogram@mednet.ucla.edu](mailto:uclacomplexcmpprogram@mednet.ucla.edu).

Thank you for your collaboration in ensuring our members receive the best possible care.

Sincerely,  
UCLA Health Complex Care Management Team
